### 1.1. BACKGROUND

The Project “*RISE-ALB: Strengthening of Social Entrepreneurship in Albania*” (hereafter called “RISE-ALB”), is a project financed by the AICS and implemented by ENGIM in partnership with: Ministry of Health and Social Protection, AAPSK (Agjencia e Administrimit te Pasurive te Sekuestruara dhe te Konfiskuara), ALTIS University “Cattolica del Sacro Cuore” of Milan, Idea2020 spin-off of Tuscia University, ART-ER, Consortium Fare Comunità, Libera, Qendra Sociale Murialdo and PartnersAlbania.

The Overall Objective of RISE-ALB is to contribute to the sustainable, inclusive and legalistic development of the Albanian economy, promoting entrepreneurship and the reuse of property confiscated from organized crime.

The Specific Objective of RISE-ALB is to empower the Albanian social economy through the strengthening of civil society organizations and the creation of social enterprises (SE) that ensure the socio-economic inclusion of people belonging to disadvantaged categories (especially women, young people and people with disabilities).

The Expected Results of RISE-ALB are:

1. Improve the effectiveness and inclusiveness of policies in support of social entrepreneurship and the reuse of assets confiscated from organized crime.
2. Encouraged experimental training and job placement initiatives of disadvantaged people.
3. Strengthen the capacity of civil society organizations in the field of social entrepreneurship.
